** Kicked on a short field from the 45 yard line after a penalty against JSerra on the PAT. Kick went through the uprights.

- * Started tracking kickoffs in the 2016 season because of Dylan Brady who was consistently kicking out of the endzone. Was able to go back and analyze Sam Loy from 2015 video.
- No video to analyze for kickoffs from Nick Sparks, Adam Young, John McGrory or other kickers from 1989-2015
- Some statistics for touchbacks (Sparks, Young & Froehlich) found in player bios so have been entered where applicable
